UPS Transport Times + Time Zone Adjustments

Order Transit Times & Shipping Information

World of Powersports ships orders DAILY via UPS, but also ship Fed-Ex & US Postal Service as may be required. The above chart represents approximate transportation times via UPS Ground from our Illinois warehouse. Complete IN-STOCK orders will normally ship SAME DAY if received prior to 3 PM. Special Order Parts will ship the day they arrive from the Manufacturer. Below is a guideline on how long it takes us to get parts from our suppliers. Please add this time to the number of days shown on the map above to determine the delivery time for your orders. We recommend telling your customers 3-5 days if in a Central State, 7-10 if you are in a Coastal State. As always – you can pay extra for Expedited freight & we'll get it to you faster.

We are building our inventory every month and customers should see a marked improvement on delivery times this year. If you need something ASAP call us – if in stock we can ship as late as 7 PM CST.

If you receive a fax notifying you of a backorder or discontinued item you may see additional annotations on the fax. Here is a short description of what they might mean: **BO** = Back Order, the manufacturer is currently out of stock on this item. **NA** = Discontinued Item. **Layaway** – we had some of the order in-stock and have pulled it for shipping, or to hold for the remaining items. **S** = South, this part is cross ship item from South warehouse. (**W**= West, **NE**= North East, **SE**= South East and so on) add a couple days to the chart above for these items.

Freight Restrictions

Batteries – We do not currently ship batteries due to hazardous materials. If you want it dry – call us we can make arrangements to ship it without the acid pack.

Oversize Items – Be careful ordering Oversize Items. Freight can Kill your Profit on these items. Most ATV fenders are oversized and ship by TRUCK! **The freight on an ATV fender can be well over \$99 EACH!** If in doubt contact us – we would rather you know up front, then be upset when you get the bill.
